

HCTV Video Open Mic!

Share Your Song, Story, or Poem!

Share your own experience in this time with your community, friends and neighbors! Do you have a song or story or poem to share? Record a video of yourself presenting your own song, story and poem that we can broadcast on our local Cable Channel 1080, and feature on our website (www.hctv.us), YouTube channel and Facebook page.

The videos can be a direct recording of yourself, or an audio recording of yourself edited together with video imagery that you create.

We welcome all videos, but ask that they follow these guidelines:

1. Videos must not use copyrighted music or imagery. And must be family-friendly!
2. If you are a minor, you need permission from a parent or guardian for HCTV to air your video. For real. If you send your video, HCTV will presume you have parental permission to air your likeness and voice.
3. Videos should be between 1 and 10 minutes long.
4. Videos must be in a horizontal format and ideally be a minimum of 720 x 1280 pixels
5. Entries must include your name, age, and the town where you live. This information will not be published.
6. Videos may optionally include on-screen titles and credits.
7. Videos are large files and often cannot be sent by email. If, however, you have access to a Cloud sharing system such as Dropbox, Google Drive, Apple iCloud Drive, or Amazon WorkDocs, submitting your entry should be easy.
8. Please send your video (or link to video) to: hardwicktv@comcast.net

We will send you a \$25 honorarium for your submission, as long as it meets the guidelines for broadcast. Please include your mailing address to receive this.

Please e-mail me with any questions on anything including technical suggestions!

hardwicktv@comcast.net

With care, Leif
